## **TECHNICAL BULLETIN**

### **IKO/RoofMart Roofcraft Base F/R**

ARCA Warranty Ltd. is please to announce that on February 26, 2003, the Board approved a Technical Committee recommendation to accept Roofcraft Base F/R under the five (5) year Certificate of Assurance Program. Roofcraft Base F/R is now an accepted alternate to the secondary insulation covering when used in conjunction with an ARCA accepted IKO Industries Ltd. modified bitumen cap sheet.

The following IKO S.B.S. modified bitumen cap sheets can be used in conjunction with the Roofcraft Base F/R product for Certificate of Assurance issuance:

1. Torchflex TP-180
2. Torchflex TP-250
3. Torchflex TP-250 (5.0 mil)
4. Torchflex TP-180 Cap FR Premium
5. Torchflex TP-250 Cap FR Premium

Please be advised that for the ARCA Warranty Ltd. acceptance, IKO Industries Ltd. assumed sole responsibility for any manufactured defect in the Roofcraft Base F/R product.

Roofcraft Base F/R will be added to the list of Accepted Alternates to Fiberboard Covering contained in Division 5, Section 4 in a future Good Roofing Practices Manual update.

Please contact IKO or RoofMart for a Roofcraft Base F/R technical data sheet.

Feel free to contact the ARCA administration if you require further assistance with this material acceptance.
