TECHNICAL BULLETIN **WESTERN LOUISEVILLE FIBERBOARD**

ARCA Warranty Ltd. is pleased to confirm that Western Louiseville Fiberboard Inc. has attained Canadian Construction Materials Centre (CCMC) listing 05789-L for 12.7 mm (1/2") and 25 mm (1") thick, Type 1 roofing wood fiberboard, impregnated or coated on one or two sides with asphalt.

The CCMC evaluation listing applies to Western Louiseville roof board manufactured in compliance with either CAN/CSA-A247-M86 or CAN/ULC-S706- 02. The compliance standard should be clearly identified directly on the product or its packaging.

Western Louiseville manufactured wood fiberboard roof insulation becomes an accepted primary and secondary roof insulation for issuance of a five (5), ten (10) or fifteen (15) year Warranty Certificate.

ARCA Warranty Ltd's roofing application standards manual will be revised to include this Western Louiseville Fiberboard Inc. manufactured roof insulation product.
